7. BEFORE YOU DIG AUSTRALIA (BYDA) AND UNDERGROUND SERVICES CONFIRMATION

Installation may involve driving or drilling pins, pegs or stakes into the ground to anchor feet, bases and stays. You must lodge a free BYDA enquiry at byda.com.au at least 2 Business Days before installation. BYDA plans usually do not show private services within your property, so these must be located and marked separately (cl. 10).

BYDA job / enquiry number*

Date lodged*

Private service locator used (name/company, if any)

- ☐ I have lodged a Before You Dig Australia (BYDA) enquiry covering the whole Site and all fence install locations.
- ☐ I have obtained and reviewed all BYDA responses and plans from asset owners.
- ☐ All private underground services (e.g. private power, irrigation, stormwater, septic, pool, solar, gas) at or near the install locations have been located and clearly marked on the ground.
- ☐ I confirm there are NO underground services (power, gas, water, sewer, stormwater, telecommunications/NBN, irrigation or other) at the install locations, or that any services have been accurately located and marked and the fence line agreed to avoid them.
- ☐ I understand installation may involve driving or drilling pins, pegs or stakes into the ground; that Queensland Fence Hire may refuse or delay installation without this confirmation; and that the Hirer is liable for, and indemnifies Queensland Fence Hire against, all damage to underground services and resulting costs and claims (except to the extent caused by Queensland Fence Hire's negligence).
